Freshman Forgiveness Rule

This rule allows a student to repeat up to 10 credit hours, which must be retaken before the student becomes a junior (reaches 60 hours). The FFR is automatically applied to a student's record if he/she is eligible. If students have questions about the FFR, they should check with their academic advisors.

French Field House

Located next door to St. John Arena on Woody Hayes Drive, this athletic facility is shared with Recreational Sports. It contains a 200-meter indoor track and weight/conditioning facility.

Fresh Start Rule

Allows an undergraduate student who has been absent from the university for five or more consecutive years to petition for a recalculation of his/her point-hour ratio. All grades of C- or better, PA, S, or EM and K credit are counted for credit hours only. All courses taken for credit remain on the record, but the student starts with a clean slate as far as his/her point-hour ratio is concerned. The Graduate School and professional programs sometimes have other rules. The fresh start petition is approved by a student's college office.

GE (General Education)

The academic core of a student's curriculum, mostly completed in the freshman and sophomore years. The GE requirement helps students develop the foundation essential to succeeding in their major programs, including writing and critical thinking skills; engages them in topical contemporary issues; and gives them a broad understanding of diversity, the natural and social sciences, aesthetics, and, for some programs, basic foreign language aptitude.

GPA
