Join your fellow Buckeyes in reducing waste on campus!

1 **Opt-in to ReusePass and order**
Tap on a participating location in your Grubhub app to opt-in to ReusePass and order your meal.

2 **Check-out your reusable container**
The dining hall staff will scan your ReusePass QR code and give you a reusable container.

3 **Enjoy and return to a designated bin**
Return the empty container to a designated bin by the due date.

Visit **go.osu.edu/ReusableContainers** *to learn more about how ReusePass works on campus.*

Did you know? *Single-use packaging is on track to make up 20% of the world's carbon budget.*

Check out the impact we made in the 2023-2024 academic year

157,384 gallons
water saved

163,408 lbs
GHG avoided

242,691 containers
saved from landfill

24,142 lbs
trash saved
